

The background of the cover features a stylized, glowing blue cityscape at night with various skyscrapers and light trails. A large orange hexagon is positioned in the upper center, containing the year '2023'. To the right, there are two inset photographs: the top one shows a busy exhibition hall with people and a 'COMNEXT' booth; the bottom one shows a large crowd of people walking through a corridor, also with a 'COMNEXT' banner in the background.

2023

COMNEXT

1st Next Generation Communication Technology & Solutions Expo

POST SHOW REPORT

Dates

June 28 (Wed) - 30 (Fri), 2023

Venue

West Hall, Tokyo Big Sight

Communication) Area • VCOM/8K Technology Area • NEXT
STAGE

Show Overview

13,625
Visitors

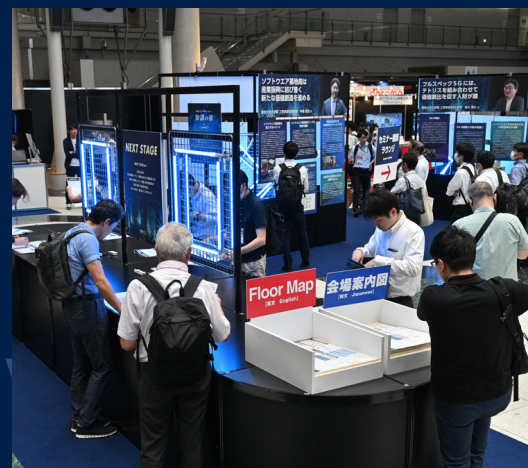

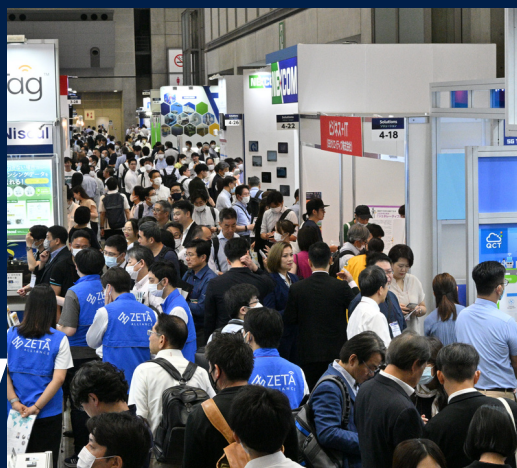

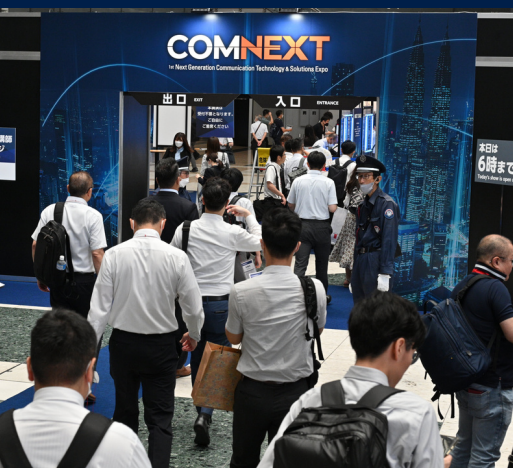

211
Exhibitors

6,880
Conference
Attendees

This was the first time held with concept changed to COMNEXT. Products and technologies related to 5G/6G, fiber optics and video transmission gathered under one roof. Targeted visitors had gathered to the venue, and had meaningful business meetings with the exhibitors.
